Summary

This document is made to be joined with a filled I.AM Registration form and aims to allow the Partner to describe one of his STS Protected Service.

The form and it's Protected Services must be joined to the I.AM Registration form.

Version	Status	Date	Author	Description
1.0	Draft	12/12/18	eHealth platform	Initial version
1.1	Draft	10/08/20	eHealth platform	Revision
1.2	Final	20/01/21	eHealth platform	Final review, adapt contact info

Fill out the form to register the protected service at the eHealth STS.
