Introduction

1.1 Goal of the document

For the integration of ConsultRN web services, integrators should fill in this test report. Based on your request to call the ConsultRN web services, you will obtain the list of tests to be performed and your applicationID. Thereafter, the software integrator must complete this test report and it to ***integration-support@ehealth.fgov.be*** for approval. Based on this approval, your access in production to the service will be granted.

1.2 Terms of use

The consultation of the National Register is subject to the approval of the sectoral committee and to the rules on the handling of personal data (Commission on the protection of privacy).
